

REMARKS

The International Search Report found that there was not unity of invention in the PCT Application as filed. Applicant submits the foregoing amendment to the claims retaining those claims for which there has been an examination in the indicated Search Report. The present amendment does not introduce new matter into the application. Claims 8-9 and 20-21 are cancelled without prejudice to presenting them in a continuation application. Early and favorable consideration of the present application, as amended herein, is respectfully requested.

Respectfully submitted,

GOTTLIEB, RACKMAN & REISMAN, P.C.
